RULES & REGULATIONS

IEEE Student Branch Chapter | **Rajarajeshwari** College of Engineering, Bengaluru

31 OCTOBER 2026

1 EVENT OVERVIEW

EVENT	DURATION	PARTICIPATION	TASK	SUBMISSION
Web Designing	2 – 3 hours	Individual or a team of up to 2 members	Design and develop a website based on a problem statement or theme revealed at the venue.	Completed website source files along with a live demonstration.

2 RULES & REGULATIONS

1. Participants must report to the **designated venue** before the commencement of the event.
2. The **problem statement or website theme** will be announced at the venue.
3. Participants must develop their websites within the **given time limit.**
4. Participants are allowed to use **HTML, CSS and JavaScript.**
5. **AI tools** are permitted during the competition.
6. The website must be **responsive and** function properly on desktop, tablet and mobile screens.
7. The website must develop a **clear structure, user-friendly navigation** and interactive interface.
8. Participants must ensure that all buttons, **links, forms** and other **interactive elements function as intended.**
9. Copying another participant's work or engaging in **unauthorized** collaboration is strictly prohibited.
10. Participants must submit their **source code and demonstrate the** completed website **before the deadline.**
11. No modifications or additional submissions will be accepted after the deadline.
12. Participants must maintain discipline and follow the instructions given by the event coordinators and judges.
13. The **judges' decision** will be final.

3 EVALUATION RUBRIC – 50 MARKS

Evaluation Criteria	Maximum Marks
Visual Aesthetics	15
Code Structure & Semantics	15
Responsiveness	15
Completeness & Features	10
Total	**50**

4 SUBMISSION GUIDELINES

- Participants must submit their complete project folder or violation all necessary source files.
- The website must be accessible for evaluation.
- Participants should ensure that images, styleheets, scripts and other resources are properly linked.
- Each participant/team must demonstrate their website to the judges.
- Judges may inspect the source code and test the website's functionality.

5 GENERAL INSTRUCTIONS

All participants will receive the same problem statement and time limit.	Participants must arrange their own laptops.	Technical issues must be immediately reported to the event coordinators.	Participants must not disturb other competitors during the competition.	Any form of malpractice or violation of the rules may result in disqualification.	The final results will be announced after evaluation and verification of scores.
